

By-Laws of Meagher County Sportsman's Association Founded in 1993

Article I: NAME

A. The name of the association shall be the Meagher County Sportsman's Association. Abbreviated as M.C.S.A.

B. We are a non-profit corporation [501C(7)]

Article II: PURPOSE

A. The intent of the Meagher County Sportsman's Association is to promote sports, especially hunting and fishing, both within the county and throughout the State of Montana.

We support the landowners right to allow whom, and when, anyone would be allowed access on his/her property. Under no circumstance do we advocate any person or government having a prerequisite to that right.

We encourage discussion and reaching common goals for the good of the sport(s) in need of improvement.

We do not endorse any effort on any individual's part that would jeopardize our hunting rights for their profit.

We believe the animals, fish, or birds that are under the control of the Montana Fish, Wildlife and Parks Department are public domain and should be available to all that enjoy sports. This is not intended to abridge the rights of legal and rightful owners of property.

We believe that a member who intentionally tries to circumvent regulations or laws governing hunting or fishing and those of the club, or the overthrow by force and violence of the Government of the United States or any of its political subdivisions, cannot be a continuing member of this organization or remain in good standing after the violation, without two thirds of the Board of Directors approval.

B. To develop programs dedicated to the conservation and preservation of animals, fish and birds and the natural habitat and to cooperate with Federal and State agencies and sportsmen and conservation organizations also dedicated to this purpose.

C. To issue bulletins to inform each member as to major problems and issues affecting the M.C.S.A. members and/or to report on proposed actions and pending legislation, so the membership may make its will known to the duly elected representatives.

D. Locate, design, construct, finance, and manage a shooting range designated as Meagher County Sportsman's Shooting Range. Collect fees, donations and prepare the necessary grants and materials to

improve and maintain in good order the said facility.
