**Correspondence:**

- None Received.

**Committee Reports:**

- NA

**Unfinished Business:**

- Status on blinds for the indoor range windows – INSTALLED! Looks nice!
- Mike Greener reported no progress on range camera. Outdated tech.
- 5 year plan update. *Report is at the end of minutes.*

**New Business:**

- Asked event sponsors if they wished to have their contact information listed with their events on the website. All agreed.
- Tim Allen finished the work on the road to the range during the week of May 5<sup>th</sup>. The weather was a nuisance but the road feels great now. Total cost for the work was \$1,350. We expected a cost of around \$2,000 so that was good news. A letter of thanks to the county commissioners for their help will be sent out.
- The range has acquired a 11' pew from a local church that is now on the rifle firing line. The bench is 11' long.
- Hunters Ed class is June 10 – 15<sup>th</sup>. June 7<sup>th</sup> will be an intro to the class with an outline of what to expect June 10 – 15<sup>th</sup>. June 15<sup>th</sup> will be live fire and the range will be closed to anyone not participating in the hunter's education class.
- CLEAN UP DAY. Clean up day will be June 1<sup>st</sup> and we will start at 1pm. The Stage line pizza will provide us with pizzas after 4 pm. Open to all who want to do some spring cleaning of the range.
- Reviewed the score card for the 3 gun turkey shoot and passed around a sign up sheet for range officers, timers, scorekeepers, and cooks. We now have 8 people signed up to help but we could use more. We may have over 30 contestants based on the responses we got on the Facebook posting. If you wish to help reply to this email.
- Small bore bench rest program. Starts June 4<sup>th</sup>. Gary Smith is the range officer. See website for contact info and details.
- Small bore Schuetzen match. Starts June 23<sup>rd</sup>. Pat McCoy is the range officer. See website for contact info and details.
- Mini Quigley Gong Match. July 7<sup>th</sup>. Dan Rader is the range officer. See website for contact info and details.
- Shotgun fun shoot. August 14<sup>th</sup> and 17<sup>th</sup>. Mike Greener is the range officer. See website for contact info and details.
- New trap house will house Mike Greener's oscillating trap machine and we should be able to install it on May 25<sup>th</sup>, if the weather cooperates. It should be in use for the 3 gun turkey shoot. A weekly shotgun trap shoot for the summer is being considered. More information to come.
- We have 4 people working on a design for a 100-yard archery range. It would not interfere with any of our pistol, shotgun, or rifle ranges. More information will be forthcoming.
